After breakfast, leave Mandara Hut and Kilimanjaro's forests for Horombo Hut. Most of the day's hike will be through Kilimanjaro's moorland, a rocky landscape with desert-like plants. Just came back from a 6 day trek along the Marangu route together with my girlfriend. We had an amazing experience thanks to the crew of porters and cook led by our two amazing guides Amos and Daniel. They are very knowledgeable, professional and good fun to spend 6 days on a mountain with. They were able to answer all our questions about the mountain! On the summit day they were very supportive which enabled us to reach Uhuru peak and stand on the top of Africa. I can recommend these guys to anyone!

My wife and I visited Tanzania In July 2018 to trek the Marangu Route to the summit of Kilimanjaro for the second time, 7 ½ years after we trekked the Machame Route to the summit.

Our first trip ended disastrous with my wife falling ill with diarrhoea and subsequent dehydration, which forced her to turn back to Base Camp on Summit-night.

With all the lessons learned from our first experience we decided to use a locally owned Tour Operator and after reading numerous reviews we decided to use Ascend Tanzania.

## Awesome experience! Marangu route - 6 days

I cannot say enough good things about Ascend Tanzania! A friend and I took the six day Marangu route at the end of May, which I would highly recommend as it was still the rainy season and staying in huts was nice. Additionally, I think that having an extra day to rest and acclimate was beneficial in the success of our climb. We had an absolute blast from start to finish! Our lead guide, Remmy, was engaging, encouraging, helpful and very fun to be around. It was also apparent that he has great knowledge of altitude sickness and how to prevent and address such incidents. Our assistant guide, Leonard, was also engaging, incredibly helpful, and fun to be around. [More...](#)
